Learning mainstream Chinese language lessons and having attained mainstream Chinese language proficiency are the ultimate goals for non-Chinese speaking students. Nevertheless, to achieve the goals, attendance is not the only way to master a language well but also frequent practice after school. More use in daily life should be done. We advise parents to support their children by means of strict supervision on class attendance, homework completion and daily revision. Please **sign the reply slip and return it to the class teacher on 10 September 2019.** For any enquiries, please contact Mr Yang Chun Yu (Non-Chinese Student Support Unit) at 2490 5410.

Yours sincerely,  
Ms Hui Kam Chu  
Principal
